This book is dedicated to:

Ghanny Rose

Ghanny Rose

Love, Juliana, Cristiano, Isabella & Robert

One thing you need to know forever
our love for you is without measure

Yes, one thing will always remain true

we cannot imagine our lives without you

With you by our side, we look
forward to every sunrise

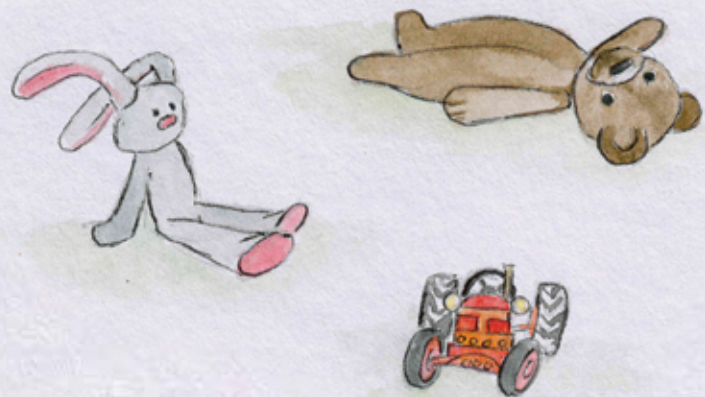

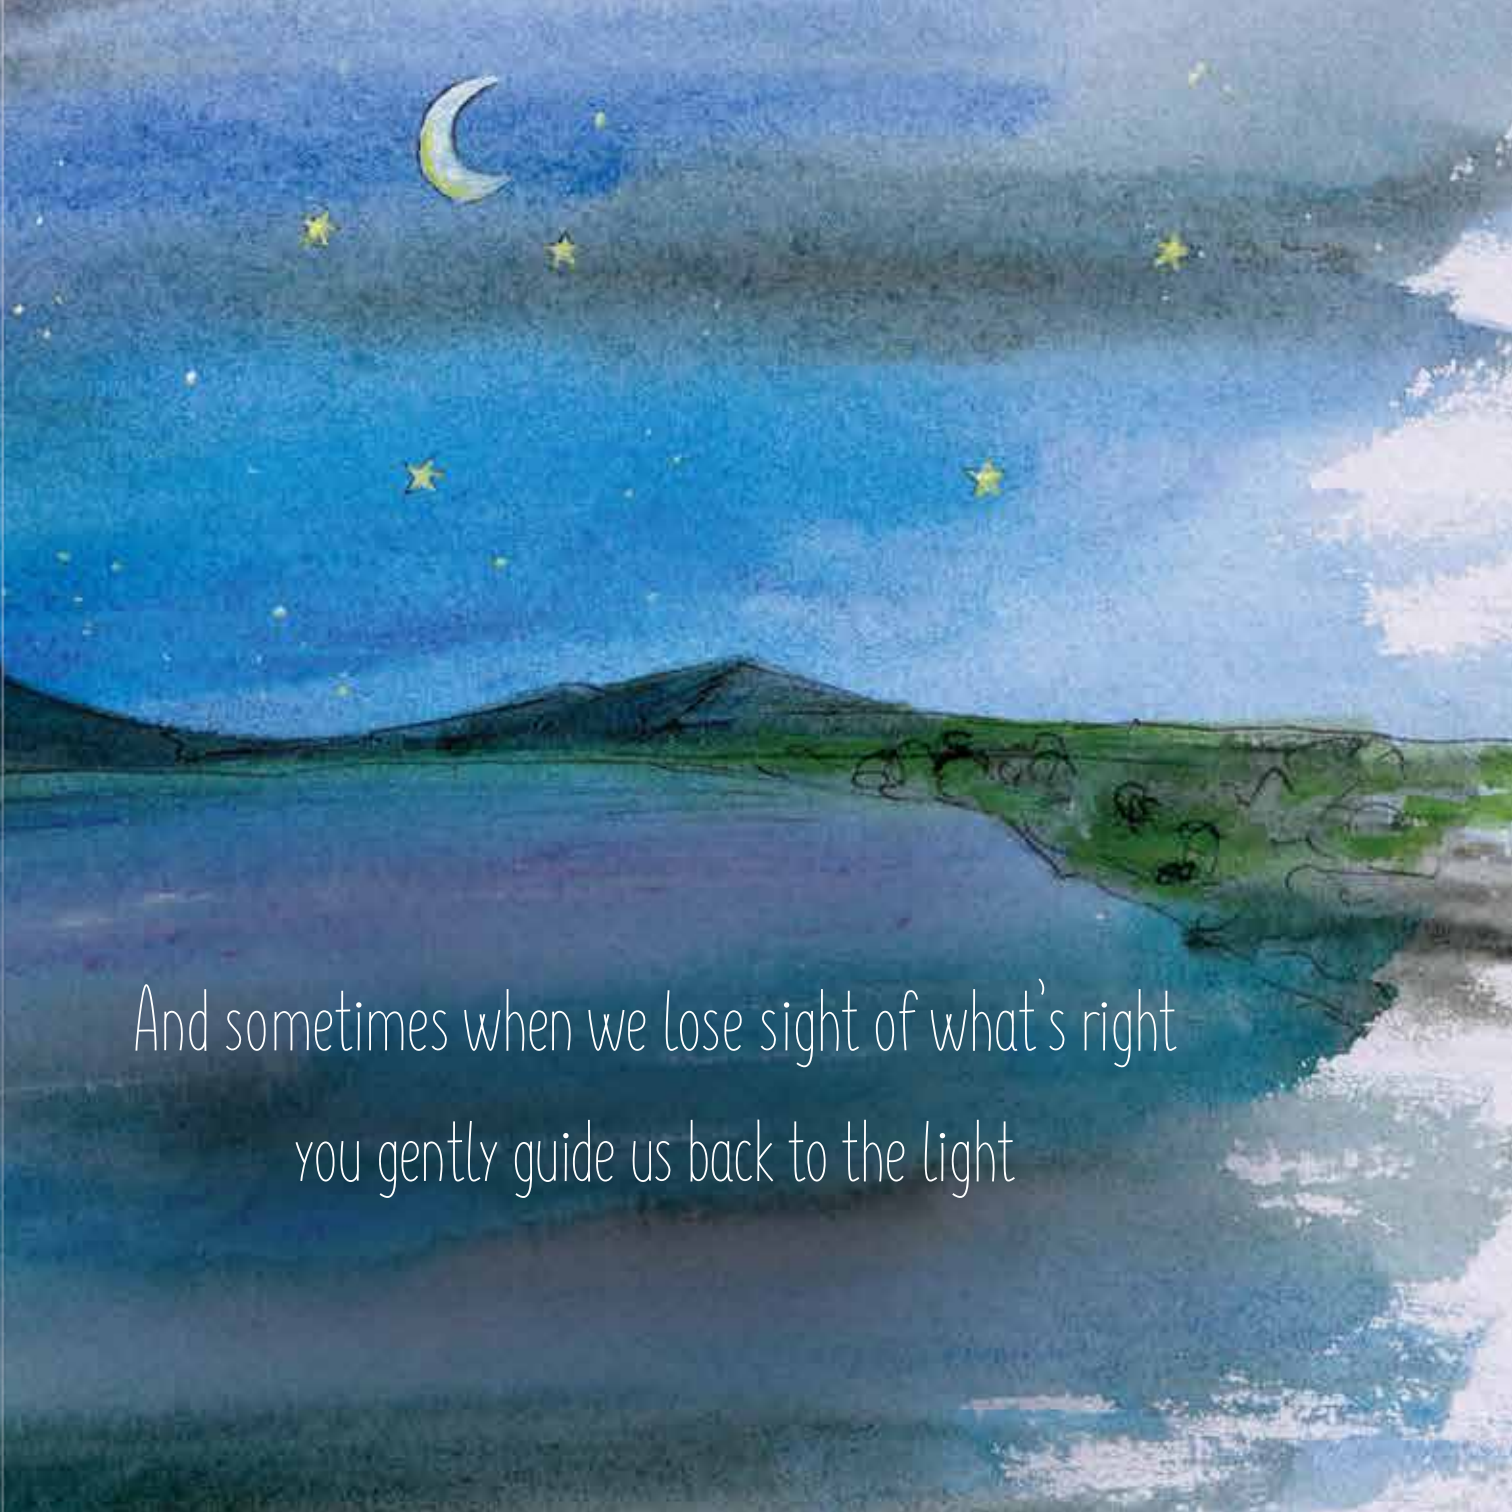

Our adventures together never cease to surprise

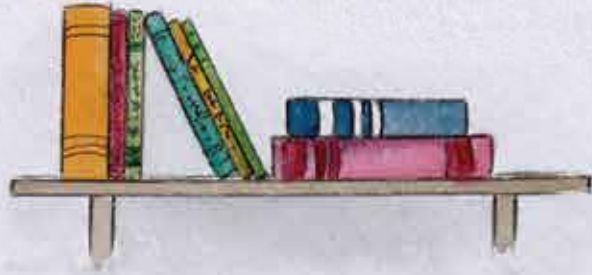

You teach us what is substantial
in a world where things are so material

Each day you show us more and more
together we have so much to explore

And sometimes when we lose sight of what's right
you gently guide us back to the light

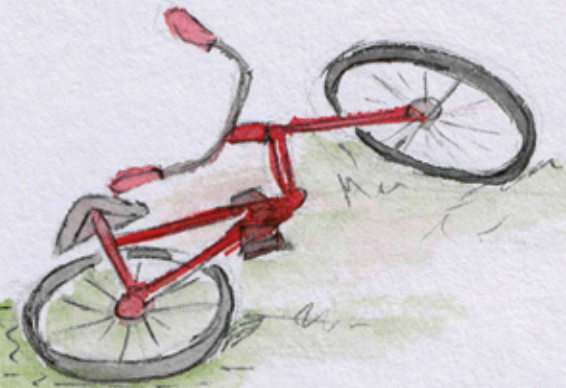

With a love so pure and unconditional
Granny you are remarkable!

Your warm embrace is welcome and free
The best granny in the world, everyone will agree

Thank you for all you do, big and small

You are the reason that we can stand tall

Yes, with you, Granny, we feel sheltered, safe and sound
While the world keeps spinning, round and round.

One thing you need to know forever
When we are apart and when we are together

Our love for you will go on forever!
